**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who appreciates the value of broadband competition among companies to keep pricing down for us little folks. Internet is crucial for living and working in today's society, but without healthy competition it will soon become another divide between the haves and the have nots -- please don't let this happen! I'm so happy to have a local internet provider that is responsive to my needs as opposed to the behemoths like AT&T who have atrocious customer service standards.

Thank you for your attention to this matter.
